

Daniel Craig @ TCC?

There are still many rumours that Mr Daniel Craig lives locally!
Only on Monday I was told he was seen out jogging...
I am not saying he will and I am not saying he won't
but it MUST be "possible" that on hearing **SPECTRE**
is being shown at his local TCC that he will decide to
surprise those who do attend by come along too!

Can you really afford not to be there?

HOTEL TRANSYLVANIA 2

U | 1h 29min | [Action](#), Comedy, Family

The Drac pack is back for an all-new monster comedy adventure Hotel Transylvania 2! Everything seems to be changing for the better at Hotel Transylvania... Dracula's rigid monster-only hotel policy has finally relaxed, opening up its doors to human guests. But behind closed coffins, Drac is worried that his adorable half-human, half-vampire grandson, Dennis, isn't showing signs of being a vampire.

So while Mavis is busy visiting her human in-laws with Johnny –and in for a major cultural shock of her own - "Vampa" Drac enlists his friends Frank, Murray, Wayne and Griffin to put Dennis through a "monster-in-training" boot camp. But little do they know that Drac's grumpy and very old, old, old school dad Vlad is about to pay a family visit to the hotel. And when Vlad finds out that his great-grandson is not a pure blood – and humans are now welcome at Hotel Transylvania - things are going to get batty!

Spectre

12A | 2h 28min | [Action](#), [Adventure](#), [Thriller](#)

A cryptic message from the past sends James Bond (Daniel Craig) on a rogue mission to Mexico City and eventually Rome, where he meets Lucia, the beautiful and forbidden widow of an infamous criminal.

Bond infiltrates a secret meeting and uncovers the existence of the sinister organisation known as SPECTRE.

Meanwhile back in London, Max Denbigh, new head of the Centre of National Security, questions Bond's actions and challenges the relevance of MI 6 led by M. Bond covertly enlists Moneypenny and Q to help him seek out Madeleine Swann, the daughter of his old nemesis Mr White, who may hold the clue to untangling the web of SPECTRE.

As the daughter of the assassin, she understands Bond in a way most others cannot. As Bond ventures towards the heart of SPECTRE, he learns a chilling connection between himself and the enemy he seeks.
