the free and confidential helpline  
for older people, open 24 hours

**[www.thesilverline.org.uk](http://www.thesilverline.org.uk)**

The Silver Line is a helpline for older people that offers information, friendship and advice 24 hours day, 365 days a year. Originally founded by Dame Esther Rantzen, it is the only national, free and confidential helpline for older people in the UK. The Silver Line also offers telephone and letter befriending by matching up a Silver Liner to a volunteer for regular conversation. So if anyone is lying awake at night - or feeling lonely at any time - or is worried about a problem that they have - and think that a chat with someone friendly who cares might help,
