"HIDDEN EGYPT - TALES OFF THE TOURIST TRAIL"

Saturday 14 November 7 for 7.30pm

TIDDINGTON COMMUNITY CENTRE

"Hidden Egypt - Tales off the Tourist Trail" comes to Tiddington in this fascinating talk about the Ancient Egyptians and the origins of some of the most recognisable and iconic symbols of Ancient Egypt. Local amateur Egyptologist, *Alison Humphries*, has made several visits of exploration in Egypt to supplement her many years of study, enjoying access to sites which are not routinely available to tourists. Alison has an extensive collection of photos and videos from these trips which she will use to illustrate her talk.

Get up close and personal with the tomb of Nefertari, Queen Consort of Ramesses the Great. This tomb has been closed to general view since 1950; it is currently only accessible with special permission as its paintings are very fragile and of exceptional quality. Alison was very lucky to be granted access to the tomb on a recent visit and will be able to take us along with her using archive material - she wasn't allowed to take her own camera in!"

Tickets £5 from rob.cobley@touchwoodonline.com

TCC FILM NIGHT Friday 4 December

The MINIONS

FAR FROM THE MADDING CROWD

5.30 for 6pm **Minions (2015)** U | 91 min | Animation, Comedy, Family

Ever since the dawn of time, the Minions have lived to serve the most despicable of masters. From T. rex to Napoleon, the easily distracted tribe has helped the biggest and the baddest of villains. Now, join protective leader Kevin, teenage rebel Stuart and lovable little Bob on a global road trip where they'll earn a shot to work for a new boss-the world's first female super-villain-and try to save all of Minionkind...from annihilation. Written by Universal Pictures

8 for 8.30pm **Far from the Madding Crowd (2015)** 12A | 119 min | Drama, Romance

The story of independent, beautiful and headstrong Bathsheba Everdene (Carey Mulligan), who attracts three very different suitors: Gabriel Oak (Matthias Schoenaerts), a sheep farmer, captivated by her fetching wilfulness; Frank Troy (Tom Sturridge), a handsome and reckless Sergeant; and William Boldwood (Michael Sheen), a prosperous and mature bachelor. This timeless story of Bathsheba's choices and passions explores the nature of relationships and love - as well as the human ability to overcome hardships through resilience and perseverance.
