# Tiddington Community Centre

The TCC...

## DID YOU KNOW?

There is a **Public Access Defibrillator (PAD)** on the outside wall of the **Tiddington Community Centre**?

This defibrillator is available in the case of any local Emergency... you just call 999 and ask for the Ambulance Service. You tell them that you are at the Tiddington Community Centre and the number of the PAD is 1507.

This number 1507 is clearly marked on the outside of the PAD case in BLUE. The Emergency services will then give you the keycode to unlock the PAD so you can access the portable Defibrillator (AED) inside.

To use the Defibrillator is so easy and fool proof. In fact users of the Defibrillator are guided by clear voice instructions on how to use it and exactly what to do - every step of the way!

We are planning a series of instruction at the TCC on how to perform **cardio pulmonary resuscitation (CPR)** and the use of **automated external defibrillators (AEDs)**. CPR is a first aid technique that can be used if someone is not breathing properly or if their heart has stopped.

If you are interested in attending a short course at the TCC then please email me with your name, address and phone number.

Please also advise if you are available in the afternoons or evenings during the week or at the weekend only.

## Avon Valley Community First Responder Scheme

is a support scheme for **Community First Responders (CFRs)** in Stratford upon Avon and the immediately adjacent villages in the Avon Valley in South Warwickshire.

See [www.avonvalleycfr.co.uk/](http://www.avonvalleycfr.co.uk/) for full details of this excellent scheme.

In **Tiddington** we currently have two trained CFRs living locally and we would certainly welcome additional CFRs. This would help our AVCFR team provide greater coverage in terms of the number of call that can be responded to. CFRs can be called out 24:7 but emergencies cannot be

Responded to by a CFR if not on duty at the time.

Additional details on becoming a CFR can be found at

### **Side Effects**

**Emily Taylor, despite being reunited with her husband from prison, becomes severely depressed with emotional episodes and suicide attempts. Her psychiatrist, Jonathan Banks, eventually prescribes an experimental new medication called Ablixa. The plot thickens when the side effects of the drug lead to Emily killing her husband in a "sleepwalking" state. With Emily plea-bargained into mental hospital confinement and Dr Banks' practice crumbling around him, the case seems closed. However Dr Banks cannot accept full responsibility and investigates to clear his name. What follows is a dark quest that threatens to tear what's left of his life apart even as he discovers the diabolical truth of this tragedy.**

## ‘AS YOU LIKE IT CLUB’

Charity no: 1123220 - formed in 1992

### FOR THE VISUALLY IMPAIRED

The Club's purpose is to provide social interaction for people with visual impairment and to keep members up to date with *'what is going on'* for those with poor sight.

We have over 35 members with an age ranging from 60 to 104 years. Some members are in sheltered accommodation whilst the majority live independently in their own homes.

The Club meets at **St Andrew's Church Centre, Shottery** every two weeks on a Thursday from 2-4pm when afternoon teas (sandwiches and cakes) are served. We have either a speaker or entertainment at each meeting. We also have four lunch outings per year. Transport can be provided.

For the majority of our members the *'As you like it'* club is a lifeline. Members gain tremendous support from each other. And are able to share their problems and in many cases a fellow member is able to offer *'a good solution'*.
