### **Family take on Mount Kilimanjaro in aid of appeal**

*Stratford residents Mindy and Conrad Yorke are attempting to climb Mount Kilimanjaro with their son in October.*

*They are taking on the 19, 341ft, 8 day challenge which will involve crossing the caldera of Shira volcano before traversing beneath the southern ice fields of Kibo, with the aim of raising £1,000 to fund a special chemotherapy chair.*

*Upgrading the chemotherapy chairs from the standard chairs available, will make a real difference to patients. At times treatment can take over 10 hours and so it is really important that patients are provided with the most comfortable chair possible.*

*Mindy and Conrad feel very passionately about supporting the appeal and making sure Stratford Hospital it is the best it can be. As a hairdresser in Stratford, Mindy meets lots of people in the local community who will benefit from the new hospital and because of this wanted to do something to support the appeal.*

*They have been researching and training for this challenge since January and have already walked 1,600 miles in preparation. For Mindy this really will be out of her comfort zone having done no trekking previously.*

*You can support Mindy and Conrad by donating via their ‘my donate’ page <https://mydonate.bt.com/fundraisers/mindyyorke1> or alternatively sending a cheque,*

*payable to ‘**Stratford hospital Appeal**’ to Fundraising, Warwick Hospital, Warwick, CV34 5BW*

## The TREK

**Mindy & Conrad** will be climbing the highest free-standing mountain in the world. Known as the "Roof of Africa", Mount Kilimanjaro peaks at 5895m above sea level, making the altitude one of the most challenging aspects.

They will be climbing the Lemosho Glades route, which is one of six official climbing routes up Kilimanjaro.

The company they are going with, selected the route because it is thought to be the best and safest route to the summit due to the fact it allows hikers to adjust less dramatically to the altitude.

They will be camping in two-man tents in three-season sleeping bags. Washing and toilet facilities will be basic...
