Ice Age: Collision Course

U 1h 34min Animation, Adventure, Comedy

Scrat's epic pursuit of his elusive acorn catapults him outside of Earth, where he accidentally sets off a series of cosmic events that transform and threaten the planet. To save themselves from peril, Manny, Sid, Diego, and the rest of the herd leave their home and embark on a quest full of thrills and spills, highs and lows, laughter and adventure while traveling to exotic new lands and encountering a host of colourful new characters.

FILM STARTS @ 6pm

The Intern

12A | 2h 1min | Comedy, Drama

A retired 70-year-old widower, Ben (played by Robert De Niro), is bored with retired life. He applies to be a senior intern at an online fashion retailer and gets the position. The founder of the company is Jules Ostin (Anne Hathaway), a tireless, driven, demanding, dynamic workaholic. Ben is made her intern, but this is a nominal role - she doesn't intend to give him work and it is just window dressing. However, Ben proves to be quite useful and, more than that, a source of support and wisdom.
