TCC FILMS 16th JUNE

**PLEASE NOTE CHANGE OF DATE
FOR TCC FILMS THIS MONTH TO**

SATURDAY 16th JUNE

Opportunity to share your experience and skills with young children

The 1st Tiddington Scout Group has three sections: Beavers, Cubs and Scouts from 6 to 14 years. There are qualified leaders in each section but they need help for two hours a week.

We are looking for volunteer adults from 18 to 70 who enjoy working with children, can share their life skills with them, enjoy games and can contribute to their growing sense of community and responsibility.

The three sections meet one evening a week in term time on Mondays and Thursday.

Our leaders set the programme but enthusiastic children need guidance from caring and cheerful adults. If you are interested in helping with the adults of tomorrow please contact:

Paul Tomlinson, 01789 263387 or paul@mytomlinson.co.uk

The Age of Asparagus

by Steve Farr

Set in a hospice room, *The Age of Asparagus* is a thoughtful jet-black comedy that questions the nature of death, the linear-ness of time and the reality of reality. The cast features a real father and son playing a father and son - all, none or some of whom may be alive. Depending what you mean by alive.

Phoenix Players

What is 'Normal'?

by Katie Cherry

Bella wakes up back where she always feared she would, hospital. Specifically, Woodlands psychiatric hospital. We meet her therapist who asks her to consider the events that may have led to her relapse. We see how different characters react to this, and are shown that friendship can have a big impact on someone's life.

Second Thoughts Drama Group

Miss Behave, a menopausal Dominatrix unexpectedly finds her new lodger is the Vicar's wife who doesn't believe in God. Librarian Linda is having imaginary conversations and the eccentric and outrageous Lady CS is threatening to reveal all. A hilarious fast paced new comedy with mild adult references.
