Stratford Town and Tiddington and Alveston - Neighbourhood Plan

Dear Resident

We are writing to you, as your **Town Councillors**, to let you know that you will soon receive, through your letterbox, a housing needs survey questionnaire which will have been distributed to every resident in **Stratford Town and Tiddington and Alveston**. This is the first ever housing needs survey conducted and as such is a milestone for Stratford. The responses received will help to identify housing requirements needed for all residents and their dependants over the next 20 year period. It will also help to identify housing mix required. This information will contribute to the Stratford Neighbourhood Plan which will form part of the District Council's Core Plan. **Responses need to be returned by 9th October.** If you require any help or you have any queries please do contact us.

Alveston & Tiddington Allotments & Gardens Association **Main Street, Tiddington**

Anyone considering having an allotment may find now is a good time to get their name on to the waiting list, as the end of the gardening year is not too far away. The site has been benefiting the local area since 1832, and in the last few years the average plot size has been brought in line with the national average enabling the number to be increased to 65. The current cost is approximately £31 per annum, including membership, rent and water.

There is a shop that supplies gardening essentials to members at competitive prices, and members enjoy some insurance cover. Social events and visits are organised and community organisations such as the NHS Community Adult Mental Health Team and Transition Stratford are on site.

Full details of the site, the Association and how to apply can be found at

EGYPT - THE LAND OF THE PHAROHS

Saturday 14 November 7 for 7.30pm

TIDDINGTON COMMUNITY CENTRE

"**The Land of the Pharaohs** comes to Tiddington in this fascinating talk about the Ancient Egyptians and the origins of some of the most recognisable and iconic symbols of Ancient Egypt.

Local Egyptologist, *Alison Humphries*, has made several visits of exploration in Egypt to supplement her many years of study, enjoying access to sites which are not routinely available to tourists.

Alison has an extensive collection of photos and videos from these trips which she will use to illustrate her talk.

Get up close and personal with the tomb of Nefertari, Queen Consort of Ramesses the Great. This tomb has been closed to general view since 1950; it is currently only accessible with special permission as its paintings are very fragile and of exceptional quality. Alison was very lucky to be granted access to the tomb on a recent visit and will be able to take us along with her using archive material - she wasn't allowed to take her own camera in!"

Her stepmother, Rosa Hubermann, is a rude but caring woman and her stepfather, Hans Hubermann, is a simple kind-hearted man. Liesel befriends her next door neighbor, the boy Rudy Steiner, and they go together to the school. When Hans discovers that Liesel cannot read, he teaches her using her book and Liesel becomes an obsessed reader. The Boxtrolls

12 Years a Slave

The Boxtrolls (2014) PG | 96 min | Animation, Adventure, Comedy

THE BOXTROLLS are a community of quirky, mischievous creatures who have lovingly raised an orphaned human boy named Eggs in the amazing cavernous home they've built beneath the streets of a city called Cheesebridge. The story is about a young orphaned boy raised by underground cave-dwelling trash collectors who tries to save his friends from an evil exterminator, the town's villain, Archibald Snatcher. When Snatcher comes up with a plot to get rid of the Boxtrolls. Eggs decides to venture above ground and "into the light," where he meets and teams up with fabulously feisty Winnie. Together, they devise a daring plan to save The Boxtrolls family. The film is based upon the children's novel 'Here Be Monsters' by Alan Snow.

12 Years a Slave (2013) 15 | 134 min | Biography, Drama, History

Based on an incredible true story of one man's fight for survival and freedom. In the pre-Civil War United States, *Solomon Northup* (*Chiwetel Ejiofor*), a free black man from upstate New York, is abducted and sold into slavery. Facing cruelty (personified by a malevolent slave owner, portrayed by *Michael Fassbender*), as well as unexpected kindnesses, Solomon struggles not only to stay alive, but to retain his dignity. In the twelfth year of his unforgettable odyssey, Solomon's chance meeting with a Canadian abolitionist (*Brad Pitt*) will forever alter his life.
